

ABOUT SAFE AT HOME

Founded in 2002, the Joe Torre Safe At Home Foundation helps children impacted by violence and abuse in their homes, schools, and communities. By providing resources and support, our young people are able to learn coping skills, build resilience, and find hope and healing for their futures. At our 15 school locations across the country, we've supported 13,000 children this year. We've reached more than 100,000 children since our founding.
