

Virtual Trivia Night

Tuesday, September 29, 8:30 p.m. EDT

Join Joe Torre Safe At Home for our first ever Virtual Trivia Night!

Sign up with your team of friends, or be randomly assigned to a team. Guests will play three rounds of trivia and hear a special message from Safe At Home staff about our work. The event will last approximately 2 hours and have up to 50 teams competing.

Each member of the first place team
will win an autographed Joe Torre baseball.

All proceeds will benefit Safe At Home's programs, which provide critical services to youth impacted by violence and abuse. Since our founding, we have provided healing, hope, and empowerment to more than 100,000 children.

During the current pandemic, our work is more important than ever. Unfortunately for many, "stay at home" does not mean "safe at home," and the current crisis increases the likelihood that children will experience violence or abuse in their homes. Your support will allow Safe At Home to continue providing our important services this fall – in a virtual and/or hybrid format as needed.
