TALKING ABOUT RELATIONSHIPS
With Children and Teens

WHAT EVERY PARENT NEEDS TO KNOW

EARLY
Children are forming relationships from the time they are born. Early childhood relationships with family and friends can model healthy foundations for relationships later in life.

IS BEST

WHAT TO SAY
Be honest! If you don’t know something, don’t be afraid to educate yourself and bring it back to your child.

LATER
Teens may know a lot about dating, but they can still benefit from adult guidance. Start the conversation at any age and let them know you’re there to talk (and listen)!

IS OKAY, TOO

HOW TO START
Find a time and place that is comfortable for both of you. It doesn’t have to be somber or serious! Relax, take a deep breath, and just talk!
